

Be alert with sick horses

- Protect yourself from body fluids
- Wash your hands and equipment
- Call your vet quickly

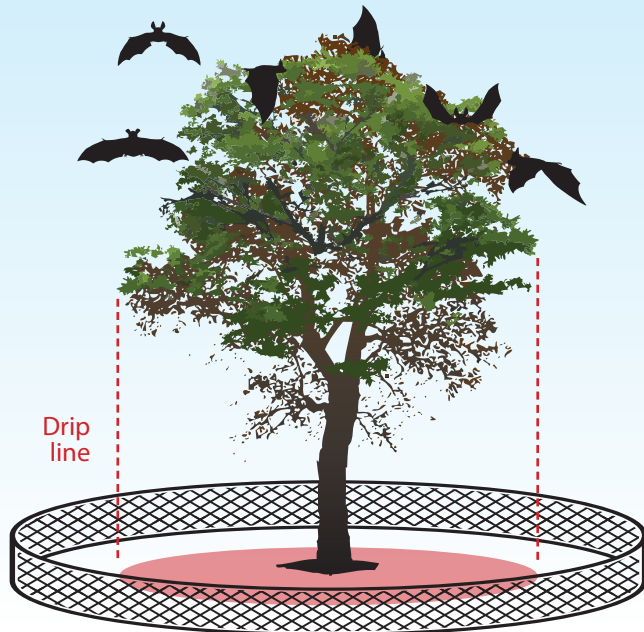

Nip it in the bud!

Put feed and water under cover

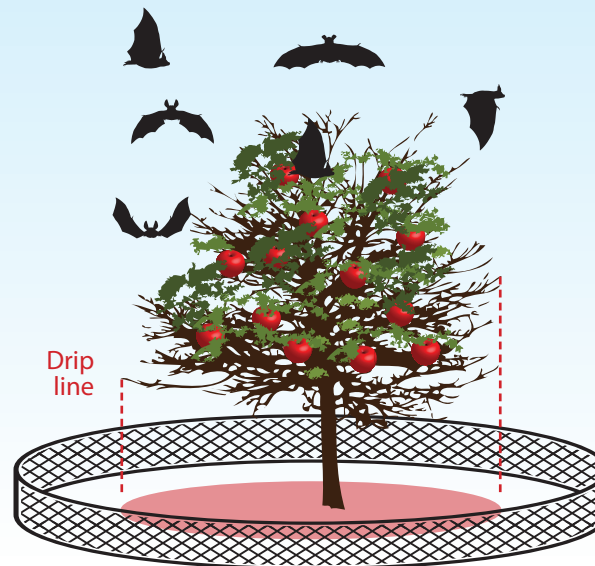

Be aware around flying foxes

- Move horses from paddocks or fence off trees with flying foxes
- Don't leave out food like fruit or vegetables

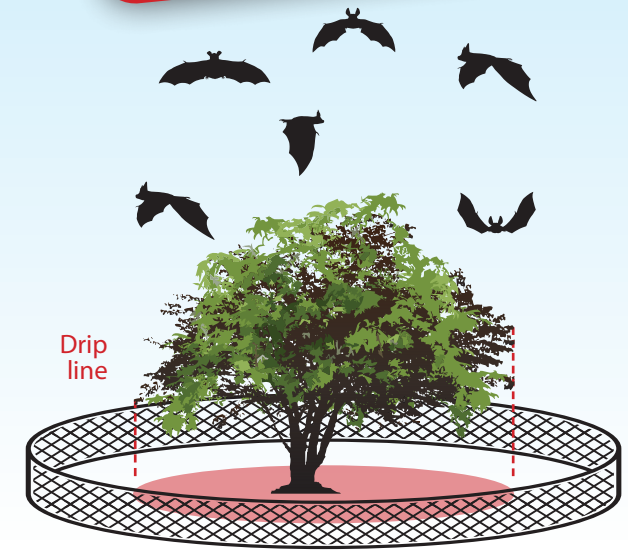

DON'T LET HENDRA TAKE HOLD

Native tree

Fruit tree

Hedge

Fence off danger zones under trees attractive to flying foxes
